Secretary of State Edmund Muskie
2201 C St. N.W.
Washington, D.C. 20036

Dear Secretary of State Mr. Edmund Muskie:

Evidence is mounting that RAOUL WALLENBERG, the man who saved the lives of more than 25,000 Hungarian Jews in World War II through his his personal intervention may still be alive in the Soviet Gulag.

Wallenberg, a Swedish diplomat and a Christian, was the ONLY man from the entire free world to volunteer to go to Hungary to help its people in 1944 -- a time when so much of the world refused to confront or even acknowledge Hitler's plan to destroy Europe's Jewish population.

Time and again, Wallenberg risked his own life, using his authority as a diplomat to personally interveve and save men, women and children from the gas chambers. It was Wallenberg himself who went to trains to distribute Swedish passports by climbing atop deportation trains and handing them to all who could reach him.

There have been repeated reports from reliable eye witnesses that Wallenberg was alive in the Siberian "Gulag" after the alleged date of his death. You can do something right now to help force the USSR to account fully about the fate of Raoul Wallenberg and to spread the word of his heroism.

YOUR CONSCIENCE DEMANDS IT, MR. MUSKIE.

Sincerely yours.
